BUSHFIRES - BUSHFIRES - BUSHFIRES

We wish to thank - and acknowledge - every individual, club, organisation, community group, government dept, and defence force or emergency services member that has assisted and supported communities, the environment, our wildlife, and businesses impacted by the recent bushfires.

Once it is **safe** to do so, please **visit** a fire-ravaged area and **spend** some money in that community. Take some friends and have **lunch** at the pub; **buy** gifts at the art shop; **fill up** at the servo; go on the guided tour; fill your **esky** with items from the supermarket; **stay** at the motel; and **hug a firie** !

Gas Heaters

By law gas heaters must be serviced and checked for Carbon Monoxide (CO2) levels every two years. Failure to do so can result in lethal levels of CO2 being emitted. Get yours done before the rush in early April. Call us to arrange it - 02 6025 8000.
